# BEAUTYBEAT'S YOUTUBE STATISTICS

#### CONTENT

To's | Klairs Yo

Our contents include our reviews, tips & tricks, latest trends, beauty updates, or those kinds that will make our audience never skip a beat.

We actively post our social media contents on instagram and facebook.

Facebook contents are created with Instagram style, and they will be posted parallel in FB and IC 3 times a day in order to reach more audience. Our unique posting style is 3 post in 1 theme that will perfectly fit the instagram multiple of three appearance.

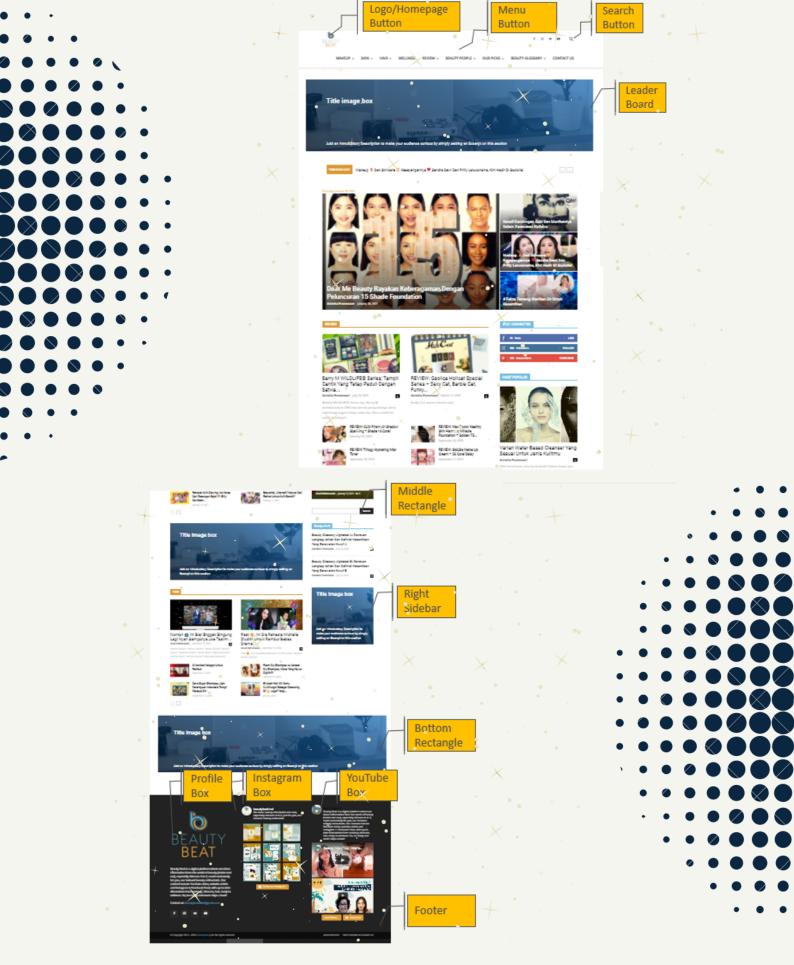

Every social media content consists of captions and call to action that create of possibly cross audience between platform, either from website, social media, or YouTube. Linktree in our Instagram bio will make follower easier to access our other platforms and to explore them better. Every new article on website and new video on YouTube will be announced on our Instagram post or story and every post will consist of link that can be accessed easier via linktree in our bio. This will make our Instagram kind of a melting pot for our other platforms. We also start making video on YouTube in order to ge closer to our audience, and make the audience get clearer information of how to, show and tell, or review with a video.
